Application Title: CANISTER WITH AIR-TIGHT LID AND SPRING
CLAMPING HANDLE

Attorney Docket No.: Kaura.K-03

AMENDMENT AFTER ALLOWANCE

Sir:

Please amend the application as follows:

Match and Return

In the Title of Invention:

On page 1 and 2 of the specification, replace the existing title with a new title as follows:

--Canister With Air-Tight Lid and Spring Clamping Handle--

Notes:

The title as originally submitted included the word "camping" which is incorrect. The invention provides clamping handle as shown in the detailed description, and it was therefore originally intended to use the word "clamping" in the title instead of "camping" as submitted. "Camping Handle" does not make sense and therefore has no meaning and should be changed to "Clamping Handle" in accordance with the above amendment.

Respectfully submitted,
